MCR: patterns in alphabetical order

The 81 patterns of the Green Book. To win, the hand must add up to at least 8 points. The points of flowers do not count towards that minimum.

All Chows (no honors)	2
All Even Pongs	24

Upper Four	12
Upper Tiles	24

Chow: three consecutive tiles of the same suit.

Pong: three identical tiles.

Kong: four identical tiles.

The points of all the patterns in the hand are added up, with rules that stop the same pattern from being counted twice.

Based on the Green Book (Mahjong Competition Rules, World Mahjong Organization, 2006). Layout: Asociación de Mahjong de Asturias.
